WGA Communication Committee - Report 2017

The main problem is that WGA is not able to attend to every championship so we would like to get every delegation involved with the promotion of their own competition, so please:

- Brouchures of the championships.
- Pictures and videos.
- News.
- Updated dates . . .

Every information about your championship is WELCOME.

We only can do it with the effort of everyone of us.

Please send you information at: albaiglesias@hotmail.com (Communication Committee Chairperson)

In a short future, a Communication Committee Official e-mail adrees will be working.
