Hi Raimo and Arturo,

Just to confirm that Canada would like to make a bid for the 2021 Championships, and would like to make a presentation at the AGM in Scotland to this effect.

We will make sure to fill out the appropriate paper work and may be in contact to discuss the logistics of this process as we go through it.

Thanks!

And secretary's answer to Paul

Hello Paul

It is very good news for us that you want to host 2021 Goldpanning Championships.
Sorry that my respons comes so late.

At the moment I am preparing the agenda for WGA's Spring Board Meeting (SBM) in Poland 26.5.2017.
The Board is going to handle your bid, but as you know it is the Annual General Meeting (AGM) in Scotland which makes the decision.
The application-form to host Championships you find on WGA's website worldgoldpanningassociation.wordpress.com.
I hope that you, with your team, fill the form properly and send it with attachments to the president's email, and copy to the secretary, if possible even before this SBM meeting, but officially it is needed as an attachment to the invitation for AGM 2017 in Moffat Scotland. I am going to send the Invitation to AGM 2017 to delegates approximately in the last week of June. So i like to get these files until the15.th June 2017.

Golden regards from Finland
RR
